Head of On-Road Solutions

reddot design award

# A WORLD OF CONTRADICTIONS

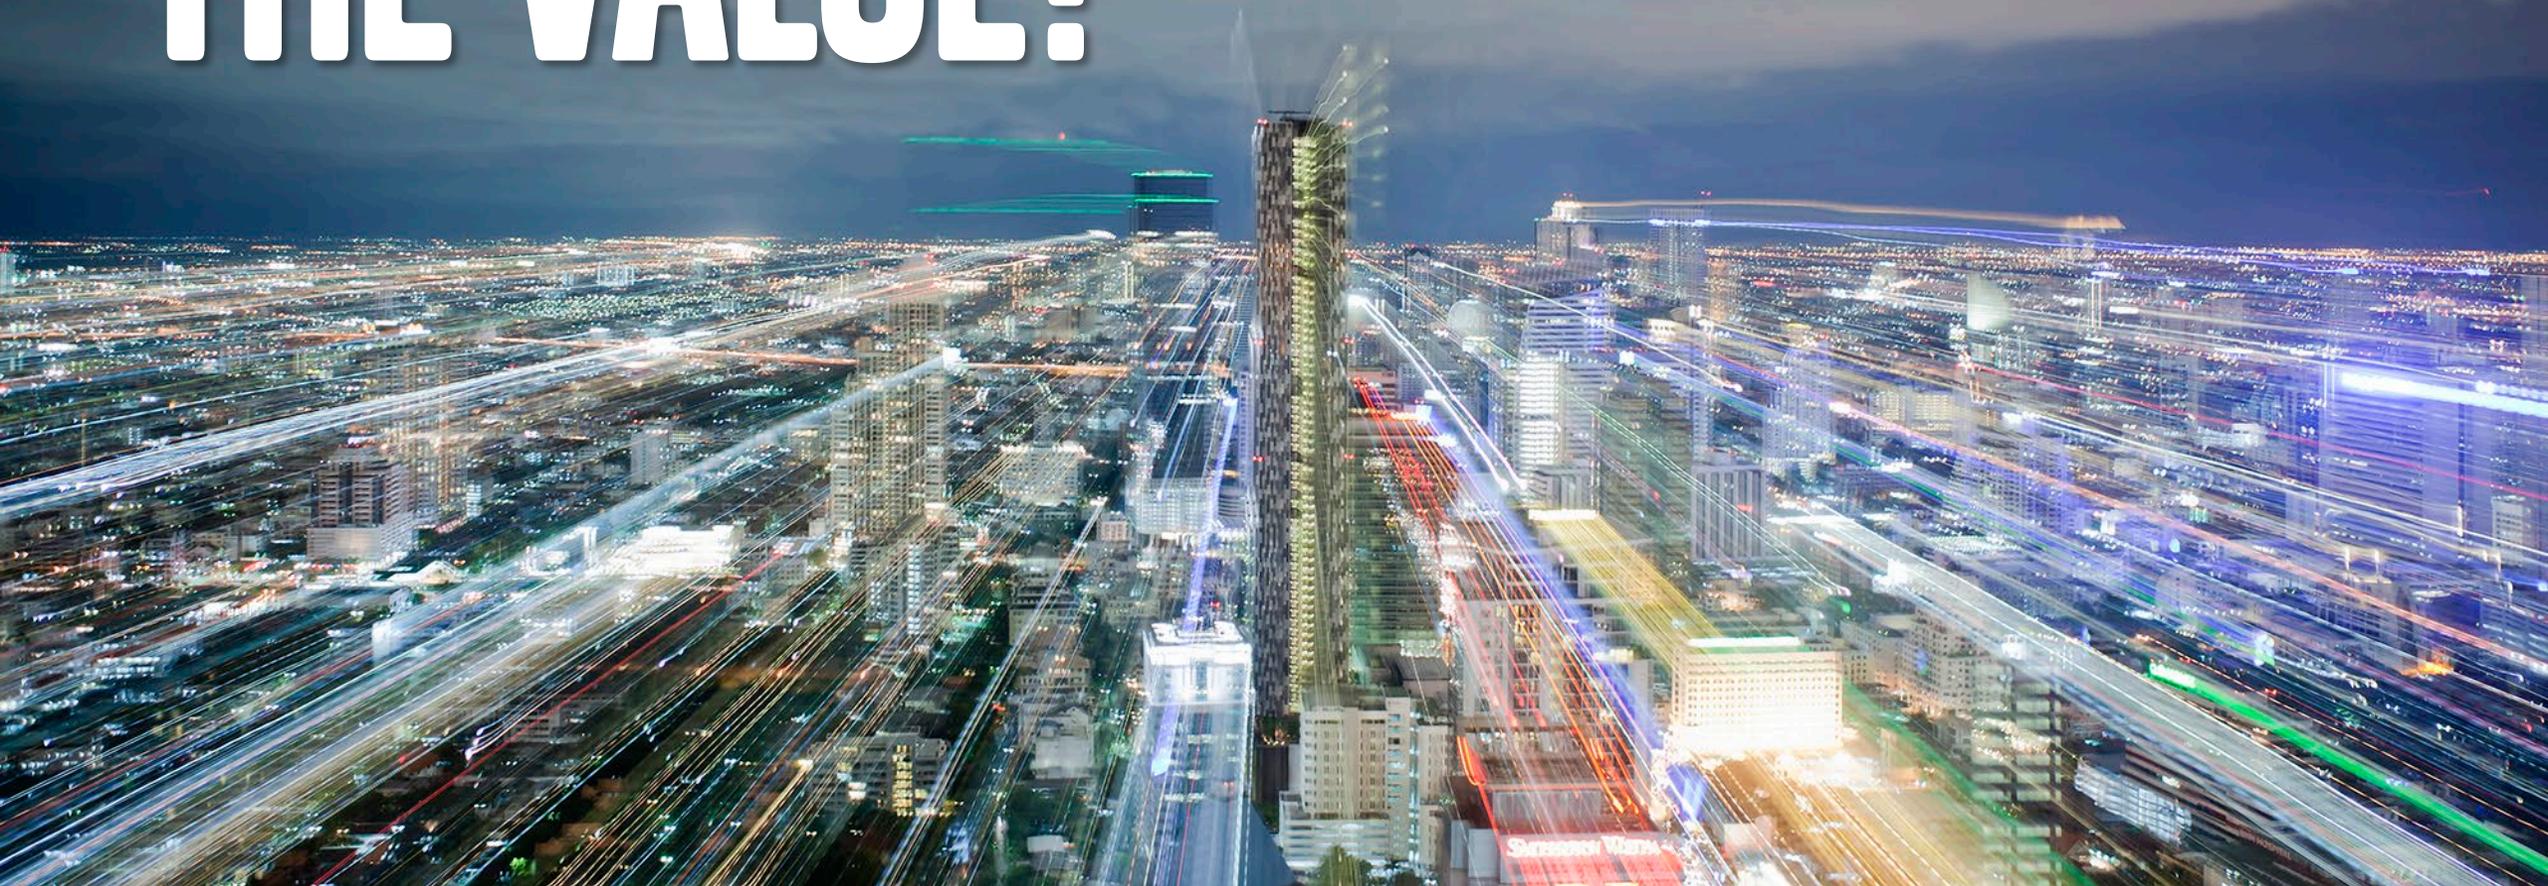

# NEW POSSIBILITIES AND PERSPECTIVES

**ARE WE REPLACING OURSELVES  
BY MACHINES?**

# WHAT'S THE VALUE?

**IT'S A NEW  
OFFERING**

A background image consisting of a grid of blue shipping containers. The containers are stacked in rows and columns, creating a repetitive pattern. Some containers have white text printed on them, including alphanumeric codes like 'RZDU 3024601' and 'TKRU 302350'. The overall color palette is dominated by the blue of the containers, with the white text providing high contrast.

# REPETITIVE FLOWS, LARGE VOLUMES

# Volvo Autonomous Solutions three strategic customer segments

Mining & Quarry / Industrial  
material handling segment

Ports & logistic centers segment

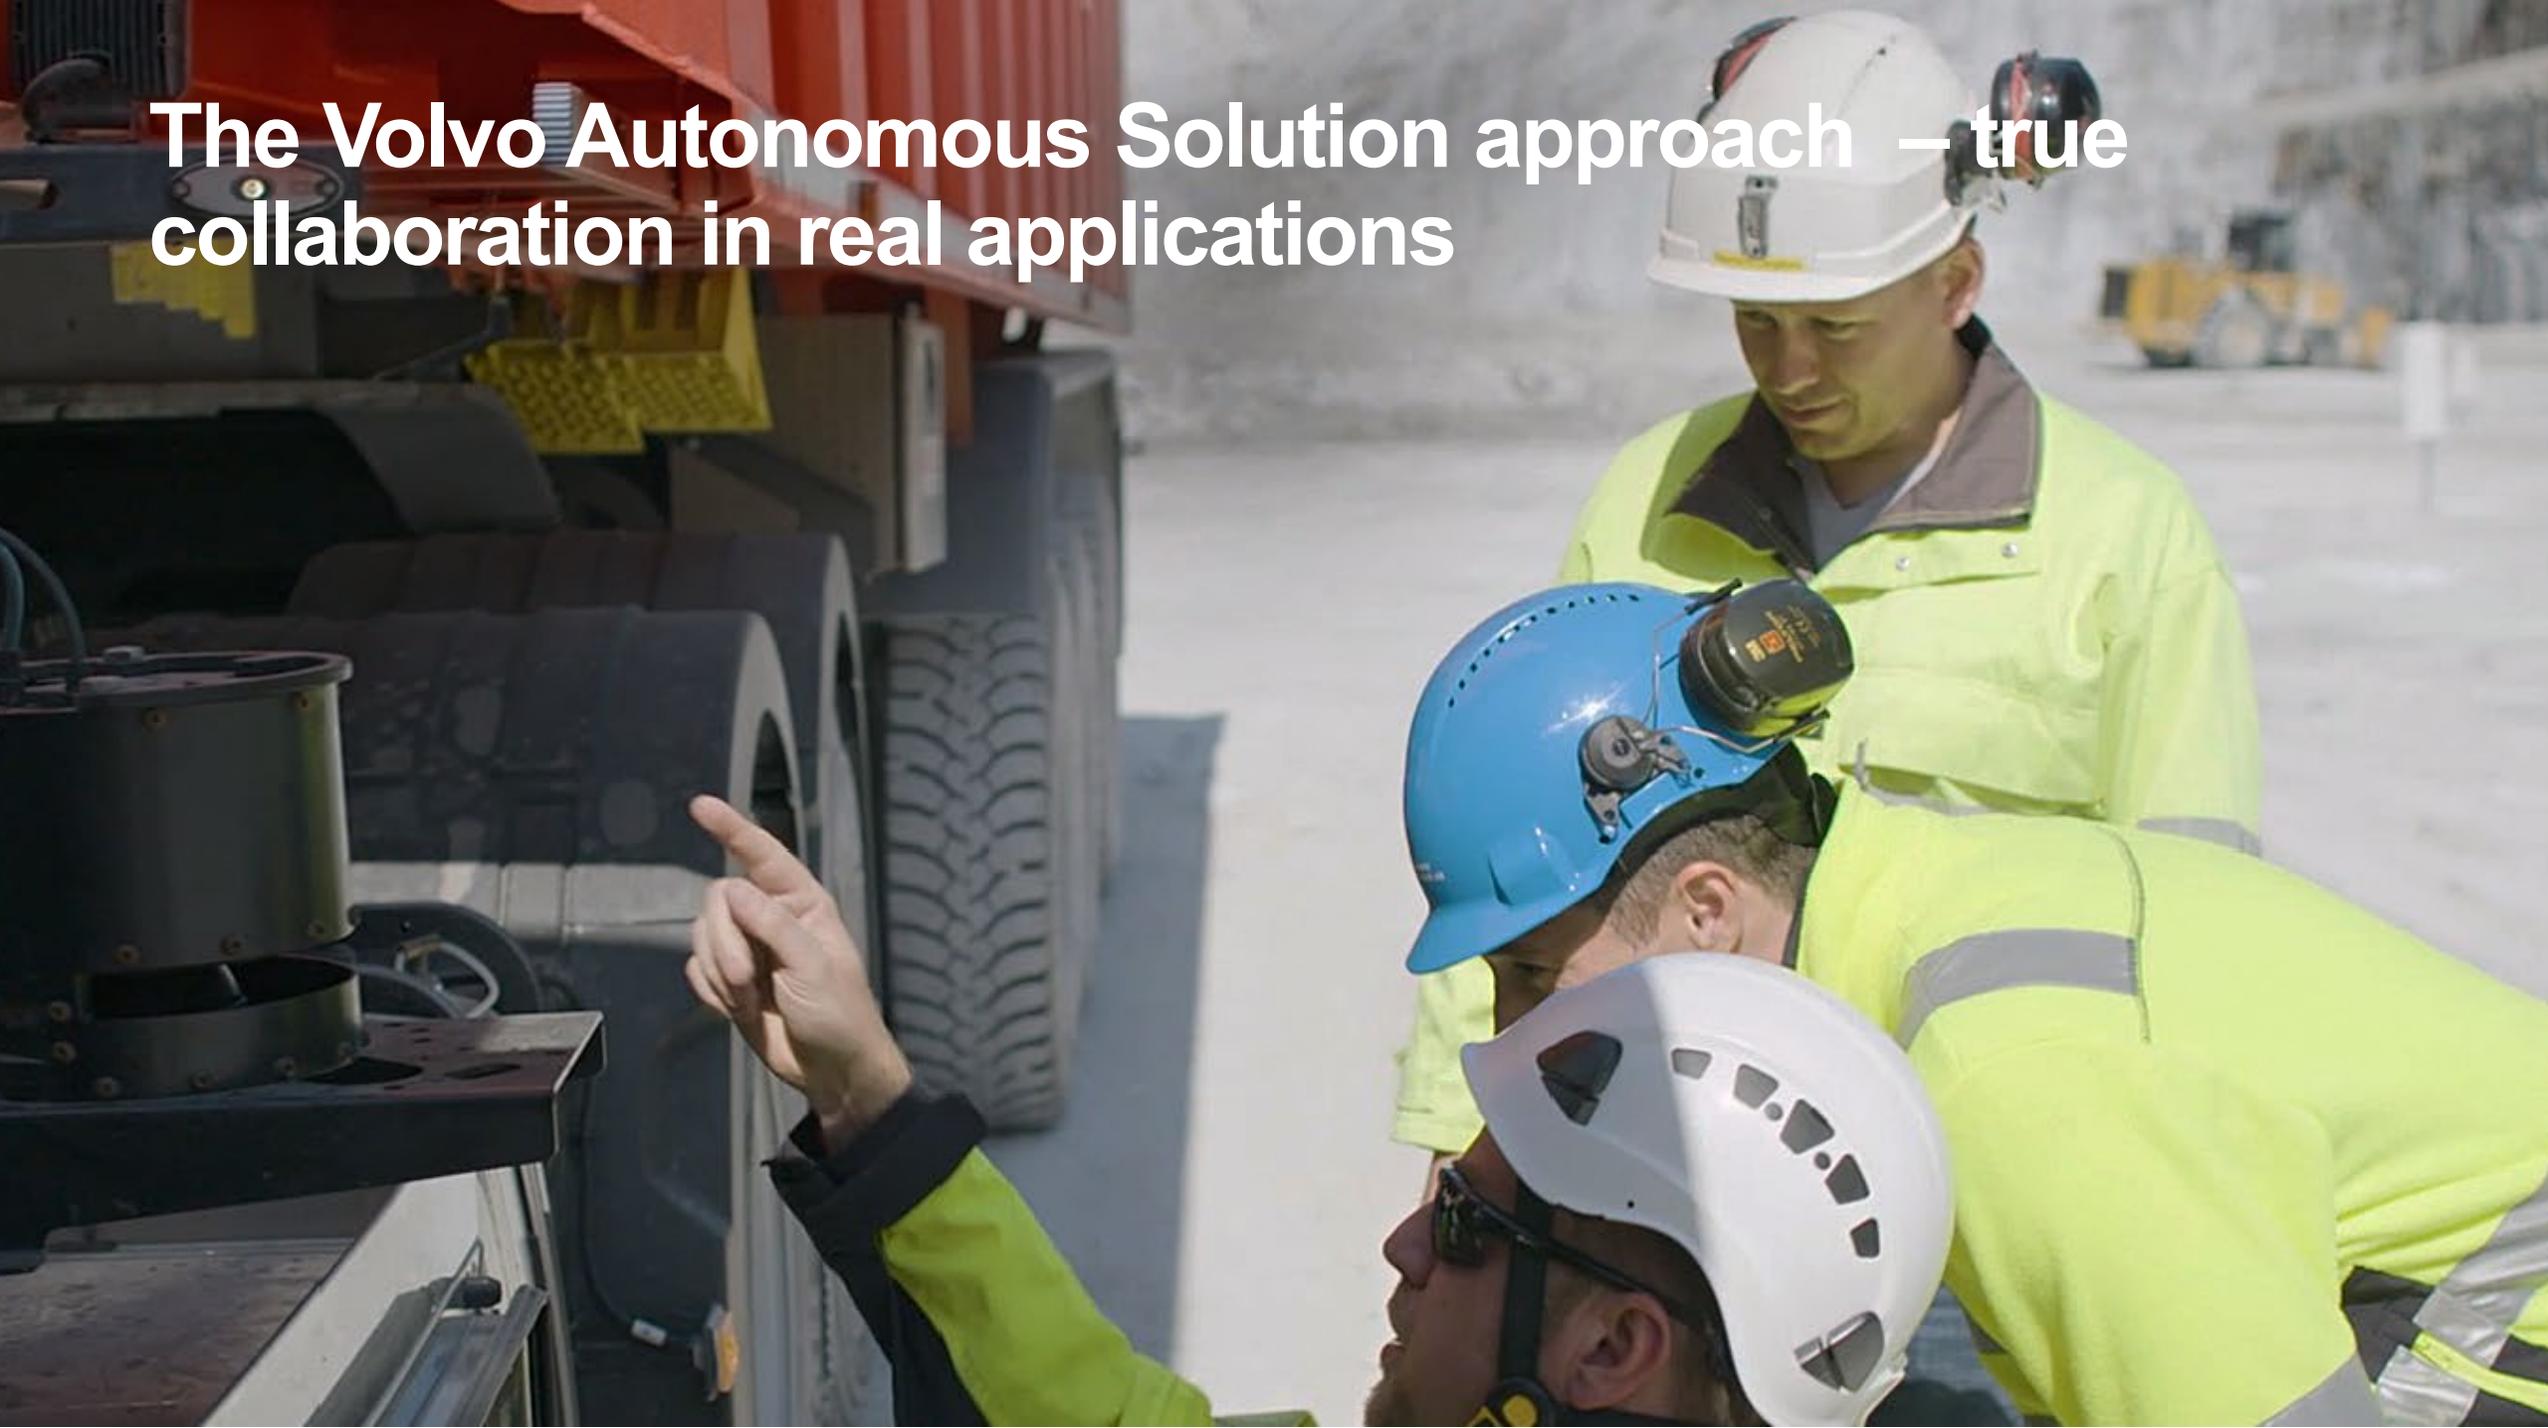

Hub to Hub Highway segment

# STRONGER PARTNERSHIPS

**The Volvo Autonomous Solution approach – true collaboration in real applications**

# MINING & QUARRY

# OUR FIRST COMMERCIAL AUTONOMOUS SOLUTION

# PORTS & LOGISTICS CENTERS

# OPTIMISED FLEXIBILITY AND OPERATING COSTS
